constitution of social life, in the ways in which people take responsibility for creating their own histories, for participating in the management of their own social and political realities.”¹ This role can be analyzed from an art theoretical and art historical point of view, but also from the point of view of political science.

Politics and Art - Oxford Handbooks

As Adorno famously wrote, 'all art is an uncommitted crime', meaning that art challenges the status quo by its very nature. Thus it can be argued that all art is political in the sense that it takes place in a public space and engages with an already existing ideology and dominant discourse.

A History of Protest Art Through Examples - From Ai Weiwei ...

History of art and social and political change. According to Groys, "Art has its own power in the world, and is as much a force in the power play of global politics today as it once was in the arena of cold war politics."Pertaining to such politically-intractable phenomena as the Modern conflicts in the Middle East, however, some artists and social critics believe that "art is useless as a ...
