### Revtech Engine Review

We have 4 major goals when it comes to developing RevTech® products, high performance, exceptional reliability, and head-turning good looks at an affordable price. Our engineers and technicians spend thousands of hours developing performance oriented components to pump up your Harley-Davidson or Custom Motorcycle.

### Custom Chrome USA Presents RevTech Performance

Hi, I've rebuilt plenty of ratchet, cow pie, 5 in 4 speed, 5 speed and six speed trannys, and in my opinion revtech is near the bottom of the heap. A friend of mine is on his 3rd one in a dyna with an S&S engine. of the people I talk to who own them about 80% wish they bought something else, and of the 20% that like them, most of them go ...
