School Leadership For Results Shifting

"School leaders have a direct and significant impact on student achievement. They drive the effectiveness of teachers who, in turn, influence the performance of students. Without the right kind of support, training, vision, and tools however, school leaders are often unable to perform at the highest levels of effectiveness. Based on historical and contemporary research this book explores the ...

3. Shift your attitude. Doing all the work by yourself is no longer the overall goal. Productive leaders drive team results by delegating tasks. It's not possible to do all the work yourself anymore. You'll want to flip the way you define, think about, and conduct work, which includes developing (i.e., coaching and mentoring) others.
