The new 2.4 litre engine across all Shogun Sport models is a representation of years of research and development and technical know-how. It's quiet, powerful and fuel efficient. The fuel efficiencies come from the fact that it has a lightweight all-aluminium engine block and a common rail direct injection system.

From that VIN the exact manufacturer (mitsubishi), model (shogun sport), engine, transmission, and trim level can be determined. Just a single digit or letter difference between two VIN numbers could make a significant difference in which are the correct parts for that vehicle, so take it down and use it carefully!
