purposely dropped an open box of crayons all over the floor during speech therapy.

Unwritten Goals and Objectives for Students in Speech ...

Growth Goal/Target: 100% of kindergarten students receiving speech therapy as identified on their IEP's will improve speech intelligibility as measured by SLP-created data collection tools. I used 10 words from the "articulation list" from the 5 year old screener from the Preschool Language Scale (PLS) screener for categories 1 and 2. (I did not want to include categories 1 and 2 in my goal because typically these students DO make progress).

This shift toward SLO's is a part of the new teacher rating outlined by the new APPR which is based on a 100 point system: 60% of points are based on classroom observation, 20% based on local assessments (that our district will provide as to establish a baseline for formulating SLO's for the present school year) and 20% based on student growth (measured in the form of teacher tests ...

Let's Talk Speech and Language: Student Learning ...

A Student Growth Objective, or SGO, is a long-term academic goal for groups of students set by teachers in consultation with their supervisors. An effective SGO must be: Specific and measureable ; Aligned to New Jersey's curriculum standards Based on available prior student learning data ; A measure of student growth and/or achievement

AchieveNJ: Student Growth Objectives (SGOs)

Progress monitoring social skill goals can be tricky — especially perspective-taking goals! Anyone else feel this way? I find that planning and conducting social skill therapy is a lot easier than measuring and quantifying a student's progress. Of course, I can "see" my students' progress based on their performances, but having hard data to support [...]

Progress Monitoring Social Skill Goals With Confidence ...

As school based SLPs, many of us are required to write a professional goal for ourselves each year. In my district under the Danielson model, we call it an "Individual Growth Plan," while others may call it "Professional Development Goals," "Professional Goal Setting," "Professional Learning Plan," or something similar.
