Dark Pennine Tales

The Pennine Way long distance walk is a monumental undertaking for anyone, no matter how fit. Andrew McCloy is one of those people who has met the challenge and had enough breath along the way to record the route and the folk he met.

The Pennine Way - the Path, the People, the Journey

The Pennine Way was originally the inspiration of walker and writer Tom Stephenson, who fascinated by tales of the Appalachian Way in America, published an article in 1935 entitled "Wanted: A ...

Pennine Way brought to life by artists at museum in the

...

The tales of monsters started before 1933, and there have been many more since. Even scientists seem equally divided. Like anything, there have been so many witnesses, even multiple witnesses that surely there must be something there.

The Pennine Way is wild in the sense that it is unpopulated and in time of Covid, devoid of people. And because of this you see a lot of nature and its workings. But it is not a wilderness. The whole way you see the hand of man shaping the environment. Even on the open moors' you see that men have created this habitat to run sheep and shoot ...

Pennine Way - in the time of Covid 16 days solo wild camping

To celebrate the launch of 'The Pennine Way - the Path, the People, the Journey', we have another wonderful extract from Andrew McCloy's new book. We hear about some of the tales walkers have to share of their journey, and consider whether the Pennine Way might be more like a pilgrimage.

The Pennine Way 'experience' | Cicerone Press

I have been contacted by many people who told me about how they used to walk through the tunnel as a short cut on the way to school when they were younger, and also tales of happenings in the there that weren't so cheery. You saw the other side of this tunnel earlier, with the mysterious lights.
