Struggle No. 2: Using Accountability the Wrong Way. The very word "accountability" can provoke fear. Often when we talk about "holding people accountable," we infer that accountability is a whipping stick to promote compliance. The problem is this: Whipping sticks don't motivate excellence, and compliance does not equal commitment.

A Deeper Look: The struggle with accountability

The struggle with accountability is a significant problem in our world. Many have chosen to just avoid people who are hurting and struggling. "It's not MY problem" is the mantra of those who see the problem but don't want to address the actual problem that creates the risk in "at risk" youth.
