Extreme heat on the outside - cool climate inside . Boats are your and our passion. On the open sea the sun heats up your boat quickly. Enjoy the sun outside and keep cool below deck whenever you wish a refreshment. Our large product portfolio of self-contained air-conditioning systems up to large chiller systems leaves nothing to be desired.

Marine - Webasto Thermo & Comfort

Whenever three or more independent areas in a yacht need to be air-conditioned, a central chiller system is the right choice. The system features one central control unit and a separate control panel for each cabin. For smaller chiller systems up to 108,000 BTU / h the new BlueCool C-Series is the perfect choice.
